What's behind the future lifestyle "ICICLE SPACE & SILEX"was Officially Opened 探索理想的生活方式 上海 ICICLE 之禾空间暨 SILEX 法式餐厅正式开业 Edit:Gloria

The long-awaited SILEX, 'contemporary French-Japanese restaurant' finally opened its door to the public on Feb. 15th 2017, Shanghai, China.

Located in ICICLE SPACE, a lifestyle complex that derives from the spirit of 'MADE IN EARTH'and seamlessly incorporates international fashion, food, cultural and art activities into one fluid expression, SILEX inherits all award-wining L'etranger (voted 'Best Restaurant in London 2009/2010' by Good Food Guide) has to offer and develops an original and fine concept inspired by the very stone that started the first fire in human history.

More than a decade after he started wowing some of the world's most serious food critics and London's big spenders with his pioneering creation–contemporary French and Japanese cooking, Jérôme Tauvron remains a benchmark against all high-end French-Japanese restaurants should be judged. Jérôme celebrates the Grand Opening with his all-time signature 'Caramelised black cod with miso'as well as well-received new members–flavoursome 'Tonyu and watercress soup with black truffle, snails & razor clams', lovingly fresh 'Oyster trilogy', 'Silex, let there be rock', just to name a few. 藏身远离城市喧嚣的之禾空间(上海漕河泾科技绿洲), SILEX 餐厅承袭获奖无数的伦敦"局外人"的先锋精神,以 开启人类文明的打火石为灵感,在餐厅灵魂人物 J é rôme Tauvron 的带领下创作并呈现注重原创独特性的高级料理。

"局外人"餐厅曾被《Good Food Guide》评为"2009/2010 年度伦敦最佳餐厅"。

十多年前,当 J é rôme Tauvron 首创出 "局外人" 当代法餐 日料菜系时,世界上最严苛的美食评论家、伦敦的大饕们惊 叹连连,大呼 "Wow"。时至今天, J é rôme Tauvron 的名 字依然是所有法餐日料高级餐厅的评判基准。开业当天的盛 宴上既有他的传奇经典"味增酱烧银鳕鱼",也有广受好评 的新成员:滋味丰富的"黑松露蜗牛竹蛏豆乳水田芥汤"、 新奇可人的"生蚝三重奏"和"摇滚吧,打火石"。

On the occasion of the 100th anniversary of Morriss Residence of Intercontinental Shanghai Ruijin, we have an exclusive interview with Mr. William Tsao, Deputy General Manager of Shanghai Donghu (Group) Co. & General Manager of Intercontinental Shanghai Ruijin. William gives prominence to humanistic care and is very experienced at recruitment. He speaks frankly and is willing to listen, diligent in thinking and good at summarizing. Confronted with the fast-changing hospitality industry, he is easy to absorb all kinds of information and adapt to different situation, which lays a solid foundation for the joint management with Mr. Kim Powley, Managing Director of the hotel.

Intercontinental Shanghai Ruijin was once the notable Ruijin Hotel. Located in the heart of Shanghai's former French Quarter, the hotel is close to Huaihai CBD as well as many famous tourist attractions in the city. As the owner of Intercontinental Shanghai Ruijin, Shanghai Donghu (Group) Co. is a comprehensive group dealing exclusively in high star-level garden villas, state hotels and a number of various industries. Garden hotels owned by the group include Xi Jiao State Guest Hotel, Dong Jiao State Guest Hotel, Hong Qiao State Guest Hotel, Radisson Blu Plaza Xing Guo Hotel, Intercontinental Shanghai Ruijin, Donghu Hotel and Dingxiang Garden Hotel. Among these reputable hotels, Ruijin Hotel has witnessed the historical change and accommodated many celebrities. A lot of legends and stories about the hotel have also being widely spread. The hotel consists of historical buildings and ancient monuments including Morriss Residence, Presidential Villa & Adjacent Rooms, Xin Yuan Lou, Reception Building, Club Wing, The Well and The Well Temple. Precious memories and unforgettable stories are behind each of these classic buildings.

As the hotel's oldest architecture, the Well Temple is originated from the Southern Song Dynasty and gets its name by the Well in the south of the hotel's garden. The Well can be dated back to the year of 1404 in Ming Dynasty and is identified as the oldest freshwater well in the urban area of Shanghai. As the "root" of the city, the Well has witnessed the ups and downs of this charming city.

Established in 1917, Morriss Residence was once owned by HE Morriss, a British businessman. The building is constructed in the classic colonial British heritage style. Its architectural pattern is so magnificent, an outstanding example of wood stone and brick structures, covered with a classic red tile roof. In 1927, Chiang Kai-Shek and Madame Soong May-Ling held their engagement ceremony here. During the War of Liberation (1946-1949), the hotel served as the headquarters for the Communist Party in Shanghai. After the foundation of the People's Republic of China in 1949, the building was taken over by the East China Bureau of the Communist Party and Shanghai's first mayor, Chen Yi, used the building as his official office and residence during his term. Later, many significant national leaders including Chairman Mao and Deng Xiaoping all stayed here.

The Presidential Villa & Adjacent Rooms are designed and built in 1920. The villa is a beautifully decorated

Art Deco architecture. Its wall section has a white line circle, covered with flat tiles. Although it was built during the 1920s, it is completely geared to the international and European modern standards and hosted numerous leaders in the worldwide. In 2015, British Prince William's stay has also added great brilliance to the hotel.

Xin Yuan Lou was built in 1930 and was once used by the Japanese Mitsui Group as their regional office in Southern China. After the War of Resistance against Japan, the Kuomintang government took the building back from the Japanese. In 1949, the building was taken over by the East China Bureau of the Communist Party. In the early 1980s, the hotel was officially opened to the public. At the end of

the 1990s, this building was famous for FACE bar, which witnessed the splendor of the bar street in Maoming Road. Nowadays, it has become a three-storey Cantonese restaurant recommended by "Michelin Guide Shanghai 2017", providing Cantonese and Shanghainese delicacies.

The Reception Building was built in 2012 and full of the rich and luxurious atmosphere of the 1920s. The architecture fully integrates the design of the Old Shanghai style with contemporary art. The oval courtyard is as high as nine stories with a huge crystal chandelier hanging on both sides. Such a dazzling design creates and extraordinary memory for each visitor. Guest rooms are spacious and bright, dressed in dove-egg blue with Shanghai Deco style furnishings, upholstered furniture and luxurious marble bathrooms, which present a romantic and luxury vibe. In addition, the Club Wing is also newly constructed. Its marble floors, square ceiling and fine hardwood wall paintings all truly reproduce the grace of Old Shanghai in the 1930s. Palm-sized cartoon books about Shanghai anecdotes by Master cartoonist He Youzhi can also be found in guestrooms, displaying the imprint of the times vividly.

After years of vicissitudes, these buildings have composed a classic historical legend, from private housing to dignitaries' social venue in the 1930s and 1940s, from the state guesthouse accommodating celebrities to the international brand hotel. But now, they have altogether constituted Intercontinental Shanghai Ruijin, which is jointly managed by international notable hotel group, Intercontinental Hotels & Resorts and Shanghai Donghu (Group) Co. When the classic hotel with profound historical background meets the Western modern elements, what kind of sparks will be produced? According to William Tsao, Morriss Residence of the hotel was founded in 1917 and Intercontinental Shanghai

Ruijin was officially opened on May 28, 2013. As the owner, Shanghai Donghu (Group) Co. has closely cooperated with Intercontinental Hotels & Resorts, continuously communicating with each other, learning from others' strong points and closing the gap. Both sides are taking great efforts to perfectly combine the classical temperament of the former country hotel with the elegance and nobleness of the West, so as to present a fabulous hotel with unique characteristic.

As the first historical hotel of Intercontinental Hotels & Resorts in the Greater China, InterContinental Shanghai Ruijin ranks among the company's seven historic and classic hotels around the world with its classic historical heritage. Prior to Intercontinental Hotels & Resorts, a number of global notable hotel groups had showed their interest to this old hotel. However, Shanghai Donghu (Group) Co. eventually chose Intercontinental Hotels & Resorts as the partner since it was one of the world's biggest hotel management groups at that time and has a wealth of global hotel management experience. Intercontinental Shanghai Ruijin also attaches extraordinary significance since it is the first historical hotel project of Intercontinental Hotels & Resorts in the Greater China. In addition, IHG

Rewards Club® is the world's largest hotel loyalty program with more than 94 million members in the worldwide. Through the cooperation, Donghu Group hopes to enhance its international influence, market awareness and customers' sense of belonging, so as to bring more business opportunities and benefits to the hotel.

With the appointment of InterContinental Hotels Group, InterContinental Shanghai Ruijin has made some changes to the management team. William introduced that Shanghai Donghu(Group) Co pays attention to personalized services and InterContinental Hotels & Resorts focused on InterContinental standard service. Under the combination of the two, the services of InterContinental Shanghai ruijin have come to a leading level in the industry. Meanwhile, Mr. Kim Powley, Managing Director of the hotel also expressed his expectation, "As another landmark of InterContinental Hotels & Resorts, InterContinental Shanghai Ruijin is focused on bringing the best local experiences to a global community creating unique memorable experience. We are dedicated to adding value to this historic hotel, and to complementing our sister hotels, Willard InterContinental Washington, InterContinental New York Barclay, InterContinental Paris Le Grand and Intercontinental Carlton Cannes in the near future."

It is a challenging job to become a manager in the hospitality industry. But William always finds pleasure. He says, the road ahead will be long and his climb will be steep. It is believed that under the win-win cooperation of Shanghai Donghu (Group) Co. and Intercontinental Hotels & Resorts, as well as the professional and dedicated management team, Intercontinental Shanghai Ruijin will keep accumulating its strength and become increasingly brilliant in the future. **炎**不完的传奇,道不尽的故事,百年经典,世纪传承。 这里曾是一栋栋承载岁月年轮的经典建筑,也是一段 段传奇历史的见证者。现在,这里俨然成为一座风格独特, 中西合璧的花园别墅式酒店。上海瑞金洲际酒店的起源与发 展,颇具传奇色彩,而《大酒店》传媒,亦有幸身临其境地 感受这座洲际酒店及度假村集团旗下大中华地区首家历史 经典酒店的低调奢华与无穷魅力。

今年恰逢上海瑞金洲际酒店名人公馆建成100周年,

我们借此契机对上海市东湖(集团)公司副总经理兼上海瑞 金洲际酒店总经理曹伟先生展开了一次探访之旅。曹总尤其 注重人文关怀,于识人用人方面颇有心得:开诚布公、乐于 倾听、勤于思考、善于总结。曹总表示,酒店业日新月异、 千变万化,这使他易于接受各种信息,适应多变的形势,而 这,也为他与上海瑞金洲际酒店首席运营官金波利先生(Kim Powley)共同管理上海瑞金洲际酒店打下了良好的基础。

上海瑞金洲际酒店前身是沪上赫赫有名的瑞金宾馆, 地处原法租界,毗邻淮海路商圈及众多市内著名旅游景点, 为上海市东湖(集团)公司旗下产业。上海市东湖(集团) 公司是以运营政务国宾馆和经营高级花园别墅宾馆为主兼 具多种经营的综合性集团公司,蜚声海内外。集团旗下西郊 宾馆、东郊宾馆、虹桥迎宾馆、兴国宾馆、瑞金洲际酒店、 东湖宾馆、丁香花园宾馆等在业内亦广泛享有盛誉。作为一 家见证历史变迁与诸多名人造访的酒店,瑞金宾馆在发展过 程中有着许多广为人知的故事和鲜为人知的传奇,拥有包括 名人公馆、总统楼、馨源楼、主楼、贵宾楼、淡水井、淡井 庙旧址等在内的一系列历史建筑及古迹。而酒店每一幢经典 别墅的背后,都荡漾着一段珍贵难忘的历史回音。

淡井庙旧址,酒店历史最悠久的建筑,始建于南宋时 期,因淡水井而得名。此井位于上海瑞金洲际酒店花园内的 南部,这座可追溯到1404年(明永乐二年)的历史丰沛瑰宝, 被鉴定为上海城区年代最久远的淡水井,是上海城区之"根 ",见证了整个上海滩的更迭兴衰。

名人公馆,始建于1917年,当时是英国商人马立斯先

生的府邸,是典型的英国古典主义风格建筑,虽是三层楼砖 木结构住宅,但其建筑格局宏伟,平缓的四坡顶屋面,覆 盖着红色洋瓦。1927年,蒋介石和宋美龄在此约定婚期并 居住于此,1945年期间这里一度成为国民党励志社社部, 1949年解放后,被中国共产党华东局接管。上海第一位市 长陈毅市长任期内亦在此楼办公。之后,包括毛泽东、邓小 平在内的无数名人政要曾下榻此处。

而总统楼,始建于 1920 年,充满了浓郁的装饰艺术风格:简约的清水红砖外墙,墙上部由水平的白色线条勒圈, 水平带窗,平缓四坡瓦顶,还有浪漫秀美的法式草坪。作为 一栋 20 世纪 20 年代的住宅,该建筑已经完全和欧洲当时 最新的现代建筑接轨,并逐渐成为了接待各国政要的宝地。 2015 年英国威廉王子的下榻更是令总统楼蓬荜生辉。

至于馨源楼,则始建于 1930 年,当年三井洋社将其特 设作为在华南地区的办公室。战争结束后,国民党从日本人 手中接管了这栋楼。1949 年,这里又成为中国共产党华东 区的办公地址。80 年代初瑞金宾馆正式对公众开放,90 年 代末这里曾是名噪一时的 FACE 酒吧,见证了茂名路酒吧一 条街的辉煌。如今这栋三层高的建筑已摇身一变成为了《米 其林指南上海 2017》的粤菜推荐餐厅,每日提供各种精致 粤式及本帮佳肴。

于 2012 年新建的主楼在设计上充满了上世纪 20 年代 的富丽奢华的气息,完美糅合了老上海的摩登风情与清冽简 约的当代艺术设计之风。挑高九层楼的椭圆形开阔中庭悬挂 着两座各重 1.5 吨的巨型水晶吊灯,如此恢弘壮丽的大堂设 计令人叹为观止、过目难忘。客房采光明亮, 鸽蓝色的主色 调佐以上海当地艺术家居风格呈现出庭院式的浪漫风情, 而 奢华的大理石浴室中经典的猫脚浴缸则别有一番风韵。除此 之外, 还新建了一栋贵宾楼, 其大理石样式地坪、方格天花 板、精致硬木画板等设计细节无不令洲际贵宾楼重现了 20 世纪 30 年代时期老上海的雍容华贵。客房内贺友直老先生 的"上海轶事"连环版画, 更是将时代印迹诠释得淋漓尽致。

这些楼,历经岁月沧桑,谱写了从私人住宅变成三四十 年代达官显贵的交际场所,再化身接待名人政要的国宾接待 所,最后成为一家国际品牌酒店的经典历史传奇。现在,它 们共同构成了一个独特的整体——上海瑞金洲际酒店,由国 际知名酒店管理集团洲际与业主方上海市东湖(集团)公司 强强联手。如此一来,笔者不禁开始好奇,历史文化底蕴深 厚的古典酒店,与西方现代元素相碰撞,会擦出怎样的火花 呢?据曹伟先生介绍:上海瑞金洲际酒店的名人公馆始建于 1917年,但瑞金洲际酒店却是2013年5月28日正式开幕的。 作为业主方,面对瑞金这样一座充满历史文化气息的前国宾 馆,上海市东湖(集团)公司在与洲际酒店集团合作的过程 中,相互交流,取长补短,将东方的古典气质与西方的高贵 优雅完美结合,呈现出别具特色的酒店风貌。

作为洲际酒店及度假村集团在大中华区的首家历史经 典酒店,上海瑞金洲际酒店凭借其得天独厚的历史底蕴,稳 居洲际品牌全球七家历史经典酒店之列。在此之前,全球许 多知名酒店集团都曾向瑞金宾馆的业主——上海市东湖(集 团)公司表达过想管理这座沪上老牌酒店的愿望,但东湖最 终却选择了洲际酒店集团作为合作伙伴。原来,之所以选择 洲际,背后还有其深刻的历史与文化根源:洲际酒店集团是 当时全球最大的酒店管理集团,有着丰富的全球酒店管理经 验,而上海瑞金洲际酒店是洲际在大中华地区的第一个历史 经典酒店项目,其意义非凡。另外,洲际酒店集团的 IHG[®] 优悦会是全球首个也是最大的酒店忠诚客户计划,在全球拥 有超过 9400 万会员,上海市东湖(集团)公司当然也希望

通过与洲际酒店集团的合作来升华酒店的国际影响力,带来 更多市场认知度和客户归属感的同时,给酒店带来更多的商 机和收益。

相比以前的自主管理,与洲际酒店集团合作之后,上 海瑞金洲际酒店的发展更是有了崭新的变化,曹总表示:上 海市东湖(集团)公司注重个性化服务,而洲际酒店集团则 注重标准化服务,两相结合之下,酒店的服务已渐趋行业领 先水平。与此同时,上海瑞金洲际酒店首席运营官金波利(Kim Powley)先生对酒店亦充满了期待:"作为洲际酒店及度假 村品牌在全球的另一个地标性家族成员,我们希望通过洲际 集团遍布全球的渠道,引领上海瑞金洲际酒店走向世界,我 们将致力于打造一家独具魅力的历史经典酒店,在不久的将 来,其地位可望与洲际旗下的华盛顿威拉德洲际酒店、纽约 巴克莱洲际酒店、巴黎洲际大酒店及戛纳卡尔顿洲际酒店等 享誉全球的洲际历史经典地标性酒店齐名。"

在酒店业中担当管理者是一个充满挑战性的工作,但 曹总却乐在其中,并说出了"路漫漫其修远兮,吾将上下而 求索"的感言。相信,拥有上海市东湖(集团)公司与洲际 集团强强联手的优势,又有专业更敬业的酒店管理团队,厚 积薄发之下,历经百年洗礼锤炼的上海瑞金洲际酒店的未来 也将愈加辉煌! **뗿**

Exclusive Interview with Mr. Arno Nicolussi Moretto, New Cluster General Manager of Greenland World Center Hotels Hongqiao

专访上海虹桥绿地世界酒店中心群总经理倪可思

Interview by Cherry Li Edit:Gloria

Grand Hotels Media: As a seasoned and handson senior professional with over 28 years of hotel management experience, you have assumed positions in a number of international brand hotels. So, what attracts you most about Greenland International Hotels Group (GIHG)?

Mr.Arno Nicolussi Moretto: During the 17 years when I worked in China, I have witnessed China's rapid economic development as well as the emergence of Chinese hotel brands. More and more hotel investors are gaining the dual identity of hotel managers plus investors, demonstrating that the Chinese hotels have an improved understanding and control of hotels. Many local hotel management companies excel in performance and through word of mouth and I am pleased to say that Greenland International Hotels is one of them.

In each Greenland hotel, you will have access to superior services featuring the collision of at reditional Chinese culture intertwined with a modern western mix. Greenland Group has always been committed to the service philosophy of "making a better life", aiming to provide guests and employees with attractive and caring accommodations and working experiences.

Hence, I feel honored being able to work for such a well-capitalized, far-sighted and caring company.

Grand Hotels Media: Greenland World Center Hotels will launch three new hotels in the year of 2017. What are your expectations towards the operation and management of these hotels?

Mr.Arno Nicolussi Moretto: As the first complex China-based hotels of Greenland International Hotels, we have made bold and innovative attempts in terms of operations. With only one management team to take charge of all crucial posts and functional departments, labor costs are minimized while efficiency is improved. For instance, our Sales & Marketing, Marketing & Communications, Revenue Management, Human Resources, Finance and Engineering teams concurrently manage all three hotels.

In Greenland International Hotels, we encourage our staff to improve themselves with personalized development plans carried out for each of our employees. As one of China's largest hotel property investors and operators, GIHG owns hotel assets of more than RMB 20 billion, with 20,000 rooms in 79 hotels and projects in pipelines across 7 countries and 54 cities. With own-branded hotels as its core business, GIHG is transforming itself into a worldrenowned hotel management company and will achieve a portfolio of more than 100 hotels worldwide by the end of 2020. With numerous opportunities in front of us, I believe that in the near future, many of our team members will become pioneers of other Greenland hotels. In the meantime, we will cultivate more professional hoteliers for the Group.

Grand Hotels Media: PRIMUS Hotel Shanghai Hongqiao, PRIMUS Residence Shanghai Hongqiao and The QUBE Hotel Shanghai Hongqiao will be respectively opened in October, May and April this year. Since the hotels all belong to Greenland International Hotels Group (GIHG), do they have any difference in brand concept and service?

Mr.Arno Nicolussi Moretto: PRIMUS is an ideal luxury hotel that is located in the frontier of the city, which gives a nice balance for each and every business and leisure traveler a place of comfortability and relaxation while in a stylish and urban retreat. With a modern and dynamic atmosphere, PRIMUS provides unique freestyle services with a personality and an inspired attitude of luxury.

PRIMUS Hotel creates an ideal luxury destination for high-end FIT and business travelers. PRIMUS Residence aims to create a "Home Away from Home" with ideal comfort. The warm color and design of pure solid wood, as well as the spacious and illustrious space, serves purposes of personal business travel and family residing (a family of six members at the most). "Life is a wonderful journey" If travelling is regarded as drawing a cycle, The QUBE hotel could be the most splendid part. The QUBE Hotel Shanghai Hongqiao is designed for business travelers who are looking for convenience to a comfortable stay.

Grand Hotels Media: You have worked in China for over ten years. So far, is there any obvious change in your work and life during your stay in this country?

Mr.Arno Nicolussi Moretto: Having worked in China for 17 years, I have witnessed many significant changes to China. I was fortunate to get the chance to serve in the Beijing Olympics 2008 and Shanghai World Expo 2010, witnessing China's worldrenowned moments of brilliance. Along with the rapid development of the Chinese economy, the younger generationsare receiving excellent education not only in math and science, but for English as well. We will find that the majority of young adults around us today in China speak fluent English. Likewise, there are many of these well-educated young adults serving in my team. They play important roles similar to those that have studied overseas.

What surprises me the most is the convenience of living in China, which is a country where high technology and social media are given full rein. Payment for transportation, catering, shopping, all can be made by the press of a button on a cell phone. Carrying a purse no longer serves it's purpose, rather it is now mostly for the fashionable. Application of these technologies has facilitated the development of the hotel market, allowing people a greater space for thoughts and changes.

Grand Hotels Media: As a very experienced hotelier, how do you communicate with your team members? What kind of spirit do you want them to have and what kind of methods will you use to manage them?

Mr.Arno Nicolussi Moretto: I have never deemed myself a hotel "manager" in a real sense. Most often, I ask my colleagues to address problems from a guest's perspective. What if the same situation occurs to themselves as guests? Therefore, our colleagues serve guests with the most thoughtful and attentive attitude.

On the other hand, each colleague in the hotel has great potential. In Greenland World Center Hotels Shanghai, our colleagues are referred to as "talents" rather than ordinary employees. With sincere respect and considerations for their future development, the "talents" work harder to serve guests in an optimistic manner, making Greenland World Center Hotels Shanghai the mainstay of the hotel industry.

Grand Hotels Media: The QUBE Hotel Shanghai Hongqiao & PRIMUS Hotel Shanghai Hongqiao are customized for business travelers and companies for an ideal meeting & stay experience. So, what kind of venues and services does the hotel have for business meetings?

Mr.Arno Nicolussi Moretto: By virtue of unique geographical location and complete conference facilities, PRIMUS Hotel Shanghai Hongqiao & The QUBE Hotel Shanghai Hongqiao have become the top selections as venues for various high-end conferences, social activities and weddings. The magnificent 1,200-square-meter non-pillar PRIMUS Ballroom can be flexibly divided into 3 sub-halls, capable of accommodating 1,400 guests concurrently at the most. In addition, there are 17 meeting rooms with consummate facilities in the 2 hotels & 1 residence, all

equipped with modern multimedia and light-acoustics equipment so as to guarantee professionalism and luxury of the conferences. The Hotels also provides characterized customization services for meetings and render profoundly wonderful conference experiences.

《**大酒店**》: 您拥有超过 28 年丰富的酒店管理经验,也任 职过多家国际品牌酒店。请问绿地酒店集团有什么独特之处 吸引您的?

倪可思先生:在中国工作17年,我见证了中国经济的飞速 发展,也见证了中国酒店品牌从无到有的成长。越来越多的 酒店投资人转换角色变成酒店管理者加投资人的双重身份, 这也反应出中国企业对酒店的掌握更加成熟。很多的中国本 土酒店品牌中不乏业绩与口碑都相当出色的本土酒店管理 公司,绿地国际酒店集团就是其中之一。

在绿地的每一家酒店里,您都能体验到浓郁的中国传统文化 与时尚的西方酒店文化相碰撞所创造的精致服务。绿地集团 一直致力于"让生活更美好"的服务理念,旨在为客人与员 工营造一个备受关注与备受关爱的住宿与工作体验。所以, 能为这样一个资本雄厚、视野开阔且由衷关爱他人的公司工 作,我感觉十分荣幸。

《**大酒店**》:上海虹桥绿地世界酒店中心群将在 2017 年新 开业三个酒店,您对未来这三家酒店的运营和管理上有什么 规划和展望吗?

倪可思先生: 作为绿地国际酒店集团在中国的首家为数不 多的三家酒店综合体,我们在运作上进行了大胆创新的尝 试 ---- 所有关键岗位及职能部门只设立一个团队管理。比 如,我们的市场销售、市场传讯、收益管理、人力资源、财务、 工程等团队均同时管理三家酒店。这样最大限度的节约了用 人成本,也提高了工作效率。

在绿地国际酒店集团,我们鼓励员工提升自己,并为每一个 员工制定属于他们自己的职业发展计划。作为国内最大酒店 物业持有商和管理运营商之一,绿地国际酒店管理集团目前 在全球范围内经营和在建超过 79 家酒店,项目遍布全球 7 国 54 城,拥有各类客房 20,000 余间,预计开业和正在施工 项目总值超 200 亿人民币并将在 2020 年前在全球范围内拥 有超过 100 家酒店。在众多的机遇面前,我相信不久的将来, 我们团队里的很多人将会成为其它绿地酒店的开拓者,而同 时,我们也会为集团培养出更多优秀的酒店职业经理人。

《**大酒店**》:上海虹桥绿地铂瑞酒店,上海虹桥绿地铂瑞公 寓,上海虹桥绿地铂骊酒店这三家酒店分别会在今年的10 月、5月、4月开业,这三家酒店都属于绿地酒店集团,在 品牌理念和服务上会有所侧重吗?

倪可思先生: 铂瑞酒店是绿地国际酒店管理集团旗下的个性 奢华品牌酒店。它一般坐落于城市前沿地带,集时尚与优雅 于一身,是全球商务及休闲旅客的工作与生活平衡之所。充 满现代感并且富有活力、随心而至的个性化服务,铂瑞,以 全新视角看待奢华。

铂瑞酒店针对高端散客及商务客人,致力于营造出一个个性 奢华的旅居目的地,铂瑞公寓致力于打造一个惬意舒适的 "异乡居所",纯实木的温暖用色和全进口的高品质厨卫电 器,适合从个人商务出差到六人的家庭入住。

"精彩旅途,快意人生"。如果将一场旅途比划作圈,铂骊 酒店正是这平凡曲线上最精彩缤纷的一处。时尚前瞻的现代 化设计风格融合当地文化精髓,年轻、大胆的色彩搭配,人 性化的内部空间布局,为追求工作与生活平衡的都市年轻商 务人士提供优雅舒适的休憩之所。

《**大酒店**》:您在中国工作了十几年的时间,从刚刚来到中 国到现在,在生活上和工作上感觉到哪些明显的变化?

倪可思先生: 我在中国工作的17年里, 见证了它太多的变化。 而我本人也有幸服务了 2008 年的北京奥运会和 2010 年的上 海世博会, 见证了中国受世界瞩目的辉煌时刻。随着中国经 济的飞速发展, 年轻一代也受到了很好的教育, 大部分都可 以说流利的英文, 并且这样的年轻人在我的团队里扮演者重 要的角色。

而我最惊讶的莫过于在中国生活的便利性,你可以不带钱包 出门,也不用担心交通、餐饮、购物等支付问题,一个手机 就可以完成所有支付。而这些技术的运用,也推动了酒店市 场的发展,带给大家有更多的思考和空间。

《**大酒店**》:作为一名资深的酒店管理者,您是怎样与团队 中其他成员沟通?您觉得应该用怎样的方式方法去使团队 变得越来越好呈现出饱满的精神面貌的呢?

倪可思先生:我从未将自己看成一个真正的酒店"管理者"。 很多时候我告诉自己的同事,让他们从客人的角度看待问题 并且感同身受,我们的同事往往能为客人提供最体贴入微服 务。

另一方面,酒店的每一位同事都是极具潜力的,在上海虹桥 绿地世界中心酒店群的三家酒店里,我们的同事都被称为 "人材",而非普通的"员工"。只有真心尊重他们并为他 们未来的发展考虑,每个"人材"势必将付诸更多的努力, 并以更乐观的态度为客人提供服务,从而成为酒店业的中流 砥柱。

《**大酒店**》:位于大虹桥商圈的核心位置,上海虹桥绿地世 界中心酒店群将会务及商旅客人定位于主要消费群体。那在 商务会议上又会为宾客们提供怎样的场地和服务呢?

倪可思先生: 优越的地理位置及齐全的会议会务设施, 使上 海虹桥绿地铂瑞酒店、上海虹桥绿地铂骊酒店成为举办各 类会议、社交活动及婚礼的绝佳场所。铂瑞酒店拥有 1,200 平方米无柱式大宴会厅,可灵活拆分为 3 个独立宴会厅, 最 多可同时容纳 1,400 位客人与会。两家酒店及一家公寓另有 17 间设施齐全的多功能会议厅及一间 278 平方米的多功能 厅,全部配备现代化的多媒体及灯光音响设备。所有酒店均 提供会议管家服务,致力于满足客人的一切会议所需,并为 客人打造一场难忘的会议体验。 **뗿**

Exclusive Interview with Ms. Stanley Yin, General Manager of Renaissance Shanghai Caohejing Hotel 专访上海漕河泾万丽酒店总经理尹海霞女士

Interview by Cherry Li Edit:Gloria

Grand Hotels Media: As the first five-star international brand hotel in the heart of Shanghai Caohejing High-Tech Park, Renaissance Shanghai Caohejing Hotel enjoys a superior geographic location. From your perspective, what are the advantages of the hotel to attract guests?

Ms. Stanley Yin: Renaissance Caohejing benefits a great deal from its easy access to central business districts and traffic hubs. The Hongqiao Airport& Railway Station, Honggiao business district, and the shopping and dining hub of Xujiahui are just within a 20-minute drive. Not only do we have a great advantage over our counterparts in downtown Shanghai in terms of our geographic location, another aspect is it saves people time. We are 5 walking minutes from Metro station, Caohejing, off lines 9 and 12. With this Metro stop being widely acknowledged among the west of Shanghai, it allows people to avoid traffic jams and detour to a more convenient route.

With its solid industrial roots, Caohejing High-Tech Park is attracting an increasing number of international enterprises. Regional headquarters and offices are booming within its vicinity. In its current state, we believe that for the hospitality industry, there is much to expect of this vast, premium business client base.

Grand Hotels Media: As an excellent leader, how do you communicate with your employees? What do you want to share with them usually? What kind of spirit do you want your team members to have?

Ms. Stanley Yin: Our Associates are the biggest asset of the Hotel. As Mr. J.W. Marriott has stated many times, "If we take care of the associates, the associates will take care of the customers, and the customers will come back". This single statement expresses the amount of care and respect all managers should have for their associates. Caring about their career development, valuing their training, and even taking into consideration their personal life, all these are important aspects to ensure that the associates enjoy and respect their jobs. Thus, creating an environment enjoyable for not only the workers, but also the guests. Marriott has won numerous "Best Company to Work for" awards based on this culture, and has once again been listed as one of the "TOP 100 Best Companies to Work for" by Fortune magazine for a continuous 20 years straight.

It's our belief that the passion and motivation to work does not only come from a satisfactory salary, but it also comes from the ability to develop ones' own career. The training of our associates is extensive and starts from the first day they enter the doors of Marriott's Orientation Training. Marriott arranges different training programs according to the different job levels and departments that exist at a Hotel. Even within our wide range of Marriott brands, the training is tailored to that particular brand, ensuring the philosophy and concept resonates with the associate during their interactions with guests. Finally, we also offer inter-departmental cross-training to associates, allowing them the opportunity to develop in other areas of the Hotel. Many associates start in one department of the Hotel, move to another, and is now in charge of both areas. Our goal is not to only have well trained associates but to have them experienced in numerous departments thus creating career development opportunities and overall a better service experience for our guests.

Here at Renaissance Caohejing, every staff member is addressed as "ambassador." In addition, our service team is called the "navigator," which forms an integral part of Marriott brand identity.

Grand Hotels Media: As the sixth hotel of the Renaissance brand, Renaissance Shanghai Caohejing Hotel has very unique facilities and personalized elite services, bringing guests great excitement and deep longing. Could you introduce the unique features of Renaissance Shanghai Caohejing Hotel for us?

Ms. Stanley Yin: Renaissance Caohejing offers an appealing and thoughtfully conceived range of local international cuisines in a variety of venues designed for family gatherings and fine dining. Located on the first floor, Smoki Moto brings the most fame and fortune to the hotel. Having previously worked at Burj Al Arab Jumeirah, a 7-stars luxury hotel in Dubai, and many independent restaurants in South Korea, we are honored to have award-winning Korean Chef Min Lee as a part of our team. She brings with her

initiative, creativity and an excellent knowledge of culinary trends to Smoki Moto in Renaissance Shanghai Caohejing Hotel. With her vast culinary experience and knowledge of Korean cuisine, her dishes are acknowledged as the most authentic one and worshiped by a large number of Korean guests.

Grand Hotels Media: Nowadays, the hotel industry pays great attention on characteristic cuisine and diverse culture. The competition in banquet and accommodation services is also increasingly fierce. So, will Renaissance Shanghai Caohejing Hotel put more efforts in these aspects?

Ms. Stanley Yin: Renaissance Caohejing takes every chance we get to help our guests experience different and new things. We deliver a unique meeting experience called "R.E.N. Meeting," showcasing the personality of the brand, as well as celebrating the inspired brand values: intriguing, indigenous and independent. From locally inspired beverage and food breaks, to the sights, scents and sounds that offer an experience beyond a traditional meeting.

《**大酒店**》:作为上海漕河泾核心地段的第一家国际品牌五 星级酒店,上海漕河泾万丽酒店有着优越的地理位置,您觉 得酒店吸引顾客的优势有哪些?

尹海霞女士:上海漕河泾万丽酒店凭借优越地理位置,在方 便出行的同时,为酒店带来了巨大的收益。酒店驱车 20 分 钟可达虹桥机场和虹桥火车站、虹桥商务区及繁华的徐家汇 商圈。就地理位置而言我们相较位于市中心的同类型酒店更 具优势,为客人节省更多宝贵时间。酒店距离临近的地铁站 步行五分钟可达。由于地铁 9 号线及 12 号线的开通运营, 漕河泾地区更广泛得被大家所知,酒店出行将会变得更加方 便快捷。

以其雄厚的工业根基,漕河泾高科技园区将吸引越来 越多的国际企业在其区域内设立地区总部或办事处。我们正 见证着这一时刻并坚信这一态势将持续下去。对于酒店行业 来说,这块区域仍然有很多机会值得把握,有更多优质的商 业客户等待去开发。

《**大酒店**》:作为一名优秀的领导者,您平时怎样和员工沟 通?您平时希望和团队分享什么?您认为您的团队应该呈 现出怎样的精神面貌? **尹海霞女士**:员工是一个酒店运作成功与否的灵魂所在, 也是我们最大的财富。J.W.Marriott 先生曾说: "我们照顾 好员工,员工就会照顾好客人,客人就会再次光顾我们的酒 店",这就意味着所有的管理者都应该给予员工足够的关爱 与尊重,关心他们的职业发展、培训,甚至他们的个人生活, 所有这些都非常有利于让员工享受他们的工作生活并为能 够为客人提供完美的下榻体验而感到自豪。因为这一品牌文 化,万豪获得了一系列的"最佳公司"的称号与嘉奖,并连 续 20 年荣获《财富》杂志评选的 100 家最佳工作场所之一。

工作的动力不仅源于工作环境与待遇,良好的发展空间更具 吸引力,因此我们为员工提供了很多培训机会,且针对员工 的级别、部门、入职时间等方面都安排了不同方面的培训。 在万豪集团旗下的不同品牌酒店,都会根据品牌量身定制不 同的培训内容,每一个品牌的哲学与理念都源自于日常工作 中员工与客人的服务细节与沟通,另外,酒店还提供交叉培 训的机会,让员工在熟练掌握自己所在部门的运作知识与技 巧之余,还可拓宽眼界,了解其他部门相关专业知识。在万 豪,一个员工的工作始于一个部门,然后调转到另外一个部 门,接下来负责两个部门的管理工作。这样做的目标是让训 练有素的员工与管理者体验更多部门的工作细节,并获得职 业发展的机会,也可以为客人提供更好的下榻体验。

《**大酒店**》: 酒店作为上海第六家万丽品牌酒店, 独特的设施和个性化的精英服务会令人心驰神往。您可以介绍一下贵酒店独特之处吗?

尹海霞女士: 上海漕河泾万丽酒店各大餐饮设施提供专为 家庭聚餐及聚会宴请精心打造的来自全球的饕餮美食及本 地精致美味。位于酒店1楼的雾山餐厅,人流攒动、热闹 非凡,为酒店赢得多项荣誉。我们屡获殊荣的韩国主厨 Min Lee,她曾任职于韩国的独立餐厅及位于迪拜的七星级豪华 酒店——帆船酒店。Min Lee 拥有丰富的烹饪经验,她将对 餐饮的主动性,创造性及对美食趋势的个人见解融入雾山餐 厅。凭借她丰富的烹饪经验和对韩国料理的深入了解,雾山 餐厅的韩国料理被大量韩国客人所推崇,被公认为是最正宗 的韩国料理。

《**大酒店**》:现在酒店行业注重特色美食和多元文化,也在 宴会服务和住房服务上多面竞争,所以贵酒店是否会对宴会 和住房服务上有更多的投入?

尹海霞女士:上海漕河泾万丽酒店抓住每一次机会,帮助 客人感受新鲜事物。我们提供独树一帜的会议体验"R.E.N. 会议",展示品牌个性,激发品牌价值:趣意、地道、独特。 从本地特色酒水、食物到视觉、听觉、嗅觉体验,为宾客提 供一场超越传统会议的非凡体验。

酒店客人,尤其是年轻的客人,越来越依赖于他们的移动设备,我们正尝试采用更多新技术去迎合他们。"R.E.N. 会议专家" ——一项移动应用程序,让我们的客人仅通过使

用智能手机便可对会议 空间进行控制。该平台 提供诸如,关键客户识 别,以及专为会议发起 者和与会者提供的签名 程序等独特体验。

万豪酒店客人现仅需在 到达前轻按几下手机便 可办理入住手续,所有 客人只需到达酒店后前 往前台领取预设好的门 卡即可。这使得旅行变 得更加容易。 **雪**

上海浪琴环球马术冠军赛确认两名中国骑手出战 他们的名字让你一眼难忘

除于4月28至30日举办的上海浪琴环球马术冠军赛, 一直是全球马术巨星云集的超级赛场。过去参加这项 赛事的骑手们都可谓鼎鼎大名。从斯科特•布拉什、鲁德 格尔•比尔鲍姆等奥运冠军,到世界排名名列前茅的肯特• 法灵顿、西蒙•德莱斯特,都曾聚集申城,演绎令人眼花 缭乱的马术比赛。这也意味着,上海已经在全球的菁英骑手 圈里凸显出了它的重要地位。所以全球的顶尖骑手们早就将 上海列入了他们的比赛计划之中。

好消息是近日浪琴环球马术冠军赛官方表示,今年比 赛不仅将迎来诸多国外顶尖高手,更将再次有中国骑手的身 影。截止至发稿,朱美美和额尔登•吉日嘎拉两位中国骑 手已经得到确认,将参与今年的比赛,与各路国际高手同场 竞技,令人为之兴奋。

今年将是朱美美连续第二年参加上海浪琴环球马术冠 军赛。就和她的名字一样,朱美美不仅长相非常甜美,骑术 也是相当了得。出生在美国南加州,但能说一口流利的中文 的她5岁开始接触马,12岁即获得了南加州少年组总积分 第一的好成绩。早在13岁那年,她本有机会加入美国国籍, 不过最终她却放弃了。探究原因,竟然是因为马术这项运动, 她是为了能回国参加更多的马术比赛才放弃了美国国籍。

2009 年, 在奥运骑手黄祖平的推荐下开始师从德国马 术之父鲁德格•比尔鲍姆(LudgerBeerbaum)。凭着顽强的 意志和对马术的热爱, 美美终于赢得了鲁德格及周围大师们 的认可, 同时也成为了如今中国马术界冉冉升起的一颗明 星。

在去年的比赛中,朱美美参加了上海浪琴环球马术冠 军赛1.45米障碍以及1.45/1.50米障碍组别的比赛。虽没 有取得突出的名次,但是通过在赛事中的磨练,朱美美收获 了非常宝贵的国际大赛作战经验,也让现场的观众都记住了 她在马背上英姿飒爽的姿态。相信有了去年的参赛经验,今 年她的表现也必然会有所突破,值得期待。

而额尔登•吉日嘎拉则是今年比赛的新面孔。但相信 还未登场,他的名字就已经引起了很多人的关注。其实吉日 嘎拉的身份更特殊一些。身为蒙古族的他,在上初中二年级 时,正巧遇到北京的马术学校去内蒙古招人,出于好奇便参 加了考试,没想到顺利通过了。然而希望他继续学业的父亲, 并不支持他学习马术。但吉日嘎拉不顾反对,毅然前往北京 学习马术,并从此与马结下了不解之缘。

然而学习马术起步就异常的艰苦。吉日嘎拉的学马生 涯从马工开始做起,还需要兼顾骑马射箭、标枪、赛马、技 巧等必修课程。但是这些努力都为他日后参与比赛打下了扎 实的基础。2001年,他终于有幸代表江苏马术队参加第九 届广东全运会,参加了盛装舞步的比赛。

虽然名次并不值得一提,但是吉日嘎拉对于马术的热 情也越来越深。此后他曾转签北京队,参与过障碍赛、三项 赛,随后还曾转投天星调良马术俱乐部担任过教练。因此相 比一般的骑手,他马术生涯的角色和经验,可谓更加丰富多 彩,也让他在赛场上非常受益。

而上海浪琴环球马术冠军赛,也将是吉日嘎拉面临的 又一次机遇和挑战。相信这位黝黑帅气的内蒙古小伙,一定 会在上海浪琴环球马术冠军赛的舞台上,翻开自己职业生涯 崭新的篇章。

那么你是否想亲眼见证这两位中国骑手的出色表现 呢?目前赛事已经正式开票。观众朋友可登录赛事官方票务 网站久票网(www.jusstickets.com)或拨打票务热线 021-962123 购买赛票。

Dear Cherry,

I had the pleasure of being invited to visit Qing Wang Fu for 2 days to review their Chinese Restaurant the first night and participate in a Western Style Wine Dinner the second night. I was particularly excited about this opportunity due to the historical nature of this site, located in Tianjin. According to the property's website, "The Qing Wang Fu cultural hotel area is composed of Qing Wang Fu (Prince Qing's Mansion), an urban cultural relic club, and Qing Wang Fu Hotel, a townhouse hotel themed in history and culture. Carrying deep historical contents and legendary stories, Qing Wang Fu, firstly built in 1922, was the Mansion of Zai Zhen, the 'Prince Qing of Iron Hat' in the late Qing Dynasty. The adjacent Qing Wang Fu Hotel, whose predecessor was named "Shan Yi Li" and firstly built in 1937, matches the main part of Qing Wang Fu perfectly as a supporting area. The Qing Wang Fu cultural hotel area is located in the 'Five Avenue Historic Building Area' where most cultural and historic buildings in Tianjin are located, and a strong British 'villa' style can be easily felt when walking here. After two years of careful restoration, now, the Qing Wang Fu area has become the best place for people to relax themselves in a busy city life. High-ended services and top facilities are available for cultural tourism, catering and leisure, and conference accommodation, meeting all needs of modern life. Those knowing peace and calmness well must transcend the material world. Here, you will have an unworldly 'heart' experience of relaxation. Qing Wang Fu is located at No.55 Chongqing Road (originally Cambridge Street of the former British Concession), Heping District of Tianjin. Starting to build in 1922, it has been designated as a municipal-level cultural relics protection unit and a historic construction under special protection in Tianjin. The building was the private residence designed by Xiaode Zhang (Lande Zhang), chief eunuch of the royal family of the late Qing Dynasty, and constructed under his supervision. After one-year construction and completed in 1923, it was then regarded as a topclass residence for the Chinese living in the old British Concession. In 1925, Zaizhen, the fourth Prince Qing in the Qing Dynasty, bought the house from Xiaode Zhang and moved in. Thus, it was named Qing Wang Fu. Almost a hundred

years has passed, and this ancient mansion has been endowed with new meaning after its delicate renovation. It is now one of the projects under Tianjin Historical Architecture Restoration and Development Co., Ltd. CCA International, a company with world fame, is responsible for its daily operation. It has become an urban cultural relic club for cultural tourism, business conference, dining and recreation. Its elegant dining rooms for Chinese and Western food, cozy wine vault and romantic Bistro Thonet with a garden view are the top choices for rest and relaxation. The Qing Wang Fu Hotel adjacent to the mansion is formerly an English style residence community consisting of 7 townhouses with gardens, built in 1937 and named Shan Yi Li. After two-year's repair, the hotel fully retains its architectural style of brick walls and sloped roof with red tiles as well as its orderly street blocks, and becomes the first townhouse hotel themed in history and culture in Tianjin. With separate courtyards and a private tranquility, the hotel now has 16 attached-villa-style hotel suites and 17 hotel apartments. The lanes and alleys are filled with the modesty and profoundness accumulated with time, telling stories of the ages."

I arrived in the afternoon and checked into the hotel and I was escorted by Miller Yao, Sales Manager, to what I thought would be my hotel room. I was surprised and delighted to discover that my hotel room was actually a 3 floor Townhouse named Paisley, and Mr. Yao carried my heavy bag up a flight of stairs to my bedroom on the second floor. He showed me how to operate the switches and lights and left me to explore the rest of the place. Like a normal Townhouse there was a front and a back door opening to the gated gardens, and the first floor contained living and dining rooms and a well-appointed kitchen and half bathroom. Up the stairs to the second floor you find a private reading room with comfortable chair and table by a window, a sitting room with 2 chaise lounges, the bedroom with a king size poster bed, and a huge bathroom. Up another flight of stairs is a private office with a nice writing desk where I could sit and work while looking out the window at the other villas. This was my favorite room to take notes and do some writing. After unpacking and getting situated, I went out the door and walked back to the main lobby to see about dinner. I was greeted in the lobby by Cherry Zhang, English Interpreter & Historian. Still light outside, she gave me a tour of the Mansion's property, the museum, the main Mansion with 2 floors and a basement, and other old buildings surrounding the Mansion. In the main building there is an atrium, which occupies the center of the first and second floors leaving all other rooms around the edges. The Prince liked Beijing Opera very much and when the performers would come from Beijing to perform in Tianjin, they would also perform at the mansion, and the Prince performed in some of the operas himself. Servants at the mansion even made a special baijiu called XiangBai for the Prince and his family. This was a very impressive and historical place and I could imagine what it must have been like almost a hundred years ago. Cherry took me to the restaurant on the second floor and introduced me to Tian Tian, Financial Assistant & Interpreter, and to Carl Liu, Front Office Manager & Concierge. I was delighted when they told me they would join me for

dinner so I didn't have to dine and write alone. We were in the Shanghai Room, named after the Prince's voyages to the world sailing from the Shanghai Port. Selina Zhou, Restaurant Supervisor, opened a bottle of 1421 Classic Chardonnay from Xinjiang Province, China, and served it to our table. Our first dish was Roasted Pacific Saury, a whole fish (head removed) served pre-cut for easy use with chopsticks. This was preserved with a sauce that smelled like a vinegar marinade and baked in the oven. The fish had nice firm texture and complex flavors from the marinade of vinegar, garlic, and soy sauce. I loved the effect of the marinade, creating really good flavors and I enjoyed the fruity Chardonnay white wine with the fish. This was a different environment for me because my new friends joined me for dinner and explained all the interesting things to me, which was fun. Our next dish was Osmanthus & Lotus. Selina explained it was half of a sliced fresh lotus root stuffed with rice and sauce from boiled osmanthus flowers and sugar. This was sweetly scented with semi-firm lotus texture and deliciously sweet sauce and rice stuffed in the holes. A little different than my previous experiences with stuffed lotus root, the lotus was softer, but still firm, and the sauce was sweeter with a hidden spice I could not identify, maybe cinnamon or star anise. Great sweet flavors! Chef Tang Kwan To from Hong Kong stopped by to have a glass of Chardonnay with me and we took a nice photo together. Selina explained our next course, Seafood Shark's Fin Cartilage & Mixed Vegetable Bisque, including Salmon, Tilapia, Crab Sticks and Mixed Vegetables in Chicken Broth with Starch for thickening. The soup was hot, thick, and chunky and a bit spicy from white pepper. There were chunks of seafood, and spinach was chopped fine giving the soup a distinctively green color. It was a hearty winter soup with special flavor from the shark's fin cartilage, which looked like a pale noodle. It was good and savory and a little salty. Our next treat was King Prawns Deep-Fried in Shredded Potato. The peeled cooked prawns were rolled whole into balls, then coated with a salad dressing and rolled in pre-fried shredded potato and served with a cherry tomato. It looked good and crispy. I ate the cherry tomato first and then experimented with the big yellow ball of crispiness on my plate. The thick outer coating of shredded potato was very crispy and flavored nicely with the salad dressing that made it cling to the prawns. The dressing was mayonnaise based and a little sweet. The king prawns were firmly textured with good shrimp flavors that went well with the cool Chardonnay. This dish was excellent and fun to eat, crispy and sweet! Next was White Turnip & Sautéed Beef Tendon with Green Onions & Chili Sauce. The turnips were tender and the green onions were bursting with flavors from the excellent brown sauce, which was quite spicy. The slices of beef tendon were firm with lots of beef flavors. Red and green spicy chilies finished the mixture with a great sauce! Selina brought our next course, Bamboo Fried with Asparagus. It was a beautiful dish with cut bamboo and green asparagus spears covered with bamboo heart, a soft fibrous white colored substance that absorbed the sauce well. This is actually a fungus that grows inside bamboo. A few gogi berries were sprinkled on top for sweetness and the sauce was thick and clear with mild flavors. It was an interesting vegetable dish. Selina brought some Fried Rice with

Garlic that included shrimp, scallop, bacon, egg, and carrot. There was an XO sauce to mix with the rice so I added a big spoonful and mixed it all together. Made from meat, seafood, chili, and peanut oil, it added a lot of extra flavors. The fried rice was good alone but the XO sauce brought it to a higher level of excellence. This was a classic fried rice dish with good aromas and flavors, a great way to finish the main courses. Dessert began with 2 kinds of Dim Sum. One was a dark green dome of green tea and wheat flour filled with a paste of mashed red beans and coated with sesame seeds. It was sweet, smooth, and tasty. The white one looked like a stuffed leaf and corn was the predominant flavor with hints from the diced bamboo shoots and a little red pepper for a savory finish. Finally we were served a Mixed Fruit Platter of Watermelon, Kiwi, Dragon Fruit, Honey Melon, and Cherry Tomato. The end of a wonderful evening, we had a nice talk about our dinner while we finished our wine and then we left the palatial mansion and said good night.

Night 2: A Wine Dinner was arranged by Micarthy Shi, Food & Beverage Manager, and Chantal Li of Chantal (Tianjin) International Trade Co., Ltd. Western style dishes were paired with 6 wines from 1421 Wines of Beijing. Held in an auxiliary wing across from the mansion, the room was designed for this purpose, with lots of wine racks, a long table and big TV for presentations. Well appointed and attractive it was a good room for the event with several wine glasses at each seat for the different wines. Our first course was Pantry Scallop & Salad. The plate was beautifully arranged with stalks of asparagus and some greens with dots of sauce on the plate. The big sea scallop was very fresh, soft and tender with mild flavors. With this we had 1421 Gold Chardonnay from Xinjiang Province, China, an excellent fresh and cool white wine with soft gold color and good fruit flavors, particularly good with the scallop. Our next course was Black Mushroom Soup served with 1421 Carmenere from Chile. The soup was thick with rich mushroom flavors and there was a decoration on top of cream and a sprinkling of herbs. When I mixed it all together it blended well with the mushroom flavors and became a creamy mushroom soup. The red wine was medium bodied and went well with the flavors in the soup. Our next course was Poached Codfish with Bell Pepper Sauce served with 1421 Sauvignon Blanc from Chile. The fish was super tender and soft and the mild flavors from the sauce complimented the fish nicely. Under the fish was some spinach soaked in the sauce so I took some fish and spinach and mixed it all in the sauce

and it tasted great. It was an interesting combination of textures and flavors. The cool and fresh white wine was light and fruity and was good with this fish dish. Our next course was Grilled Beef Filet & Foie Gras with Goose Liver Port Wine Sauce and Asparagus & Baby Carrots. This was served with 1421 Gold Cabernet Sauvignon and 1421 French Oak Barrel Reserve Cabernet Sauvignon also from Xinjiang, and 1421 Shiraz from Australia, thus giving the diners an opportunity to try 3 wines with this dish. The pan-fried foie gras was on top of the steak and the sauce was medium bodied and not overpowering as many steak sauces can be. It was a good match for the beef and foie gras, which I tried together. The beef was cooked medium and it was tender, while the foie gras was soft, both tasting good either together or alone with the sauce. The 3 wines were all medium bodied, but offered 3 distinct differences in flavor. The Gold Cabernet Sauvignon was not aged in oak barrels so it had pure Cabernet Sauvignon flavors, the French Oak Barrel Reserve Cabernet Sauvignon was aged in oak barrels so it had the added complexities from the oak, and the Shiraz had the classic flavors and spiciness Australian Shiraz is known for. The guests truly enjoyed having 3 wines to experiment with and this stimulated a lot of conversation about the influences and flavors of the different wines with the food. Now it was time for dessert, Cheesecake Classic with Blueberry, Strawberry & Whipped Cream. The cheesecake was plain with classic texture and flavors and there was a design on the plate made from chocolate sauce. I tried half of the cake plain and then mixed the rest with the sauce for a nice finish to the dinner. We had plenty of wine left so we continued to enjoy our conversations while sharing a few more glasses of wine. It was a very pleasant evening. I savored 2 great dinners in 2 great nights, 1 Chinese and 1 Western, all on the property of a Qing Prince's Mansion. This coupled with my spectacular townhouse accommodations left me feeling guite special, so much so that I pondered how nice it would be to just move in and never leave. Thanks to everyone at Qing Wang Fu for memories I shall never forget. Tianjin, you have given me yet another reason to visit you often!

GANBEI !!!

My Best as Always,

Randy
